The committee however deferred

-Complete payment of NG-CDF Office building (ramp) to 2020/2021 financial year until valuation is complete as to the variation claim. In the budget of 2019/2020 they allocated ksh 1,500,000.00 to mitigate the situation in the event that the valuation is complete after the project proposal is approved by the NG-CDFB. They also instructed fund account manager to write to Awendo sub-county works officer to carryout valuation on building to ascertain the variation claims by the contractor and also for onward submission to NG-CDFB.

-Completion of Awendo Police Division Head office until court verdict on the land issue is determined. Court order to be forwarded to NG-CDFB.

It was noted that due to time variation, the following project which the committee committed to complete in 2019/2020 has been completed and are in use therefore no need for funding them in 2019/2020 financial year.

A members raised a concern on the standard rate of constructing a classroom but he was told that the rate in Awendo is ranging between ksh 700,000.00- ksh 950,000.00 but cannot be standardized since construction depends on soil structure, Topography, distance from the market Centre and also the structure itself etc. This could extend to construction of dormitory, laboratory and Library. The committee therefore agreed and approved the submission of budget proposal as a bove for the financial year 2019/2020.

AWENDO NG-CDFC 3/16/10/2019 PAYMENT.
