3.4.3 COMMENTS BY THE DEPUTY COUNTY COMMISSIONER

He explained to the meeting the history of rural development funding in Kenya Since independence in 1963 aimed at fighting poverty at the grassroots level has been **one** of the key agendas of the Kenyan government. The government has initiated various rural development programmes including Special Rural Development Programme, District Development Planning, Rural Development Fund and **the** District Focus for Rural Development Strategy with the aim of improving people's wellbeing.

However, most of these programmes failed to **address** the needs of local people due to lack of political will, inadequate government funding, lack of appropriate technology, neglect of institutional development, lack of beneficiary participation and poor coordination from top to the bottom. However, in 2003 the government introduced Constituency Development Fund (NG-CDF), to fight poverty at the grassroots and since its inception, NG-CDF has had tremendous impact among the rural communities in Kenya
