### 1.1.06 Challenges

The main challenge noted is that the general public did not have a clear distinction between Projects fundable under either of the Governments i.e. County versus national.

There is need for a heightened grassroots capacity building and awareness creation on the role of each type of Government as per the 4<sup>th</sup> Schedule of our Constitution.

5.1.06 Challenges

The main challenge noted is that the general public did not have a clear distinction between Project s fundable under either of the Governments i.e. County versus national.

5.1.07 Way-forward

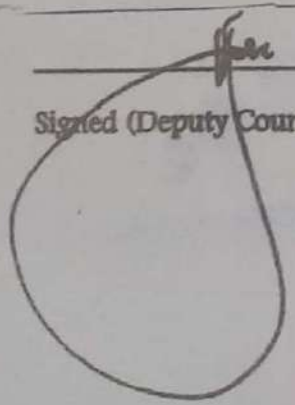

There is need for a heightened grassroots capacity building and awareness creation on the roles of each type of Government as per the 4<sup>th</sup> Schedule of our Constitution.
