The National Government Constituencies Development Fund was created by the Constituencies Development Fund Act, 2003 with the primary objective of addressing poverty at grassroots level by dedicating a minimum of 2.5% of the Government ordinary revenue to grassroots development and the reduction of poverty. The fund is managed by the National Government Constituencies Development Fund Board (KURIA WEST NG-CDFB)

In January 2013, the NG CDF Act 2003 (as amended in 2007) was repealed and replaced with KURIA WEST NG-CDF Act 2013 that is aligned to the constitution of Kenya 2010.

The enactment of the KURIA WEST NG-CDF Act 2013 was mainly aimed to ensure that the law governing KURIA WEST NG-CDF is aligned to the Constitution of Kenya 2010, specifically in compliance with the principles of:

Cross cutting projects:

1. Renovation of classrooms new upcoming schools
2. Opening of access roads to schools
3. Construction of new classrooms
4. Purchase of land for new schools
5. Purchase of Desks

Challenges:

1. Limited resources as compared to high number of requests and the wards within the Constituency and from the general public.
2. The time frame for implementing all the projects is limited.
3. Public requesting projects not falling within the threshold and too much expectation from the community which if not solved great's friction between the office and the public.

The documents used during the ward meetings can be traced in the KURIA WESTNG-CDPC file reference No Kuria West/ward reports.

2.4 Conclusion

She urged the public to cooperate with the KURIA WEST NG-CDFC for effective development of the constituency.
