MIN2 07/10/2019: CDF PROJECTS PROPOSAL BUDGET FOR FINANCIAL YEAR 2019/2020

The Chairman briefed members that the committee is required to submit project proposals for the financial year 2019/2020 within 28 days after the release of circular. The Fund Account Manager informed members that the constituency had been allocated a total of Kshs. 137,367,724.14. She referred to a circular ref NG-CDFB/CEO/BOARD CIRCULARS Vol II (014) which outlined the eligible projects. The Fund Account Manager briefed members on the requirements for project proposal presentation, she also informed members on the eligible projects. The Manager informed members that all devolved functions are no longer eligible under the New NG-CDF act, priority is given to the ongoing projects and that the financial year 2019-2020 the committee had done a commitment to fund certain projects that had a conditional approval, therefore they should be given a priority.

The FAM informed the members that it's a requirement in the basis of identification of project proposals in Section 27 (1) of the Act that, the chairperson of the Constituency Committee should, within the first year of the commencement of a new Parliament and at least one every two years thereafter, convene open forum public meetings in every ward in the constituency. The committee did the last ward consultative forum in November 2018, they therefore agreed to use the same report since it applies in the current financial year 2019-2020.
