MIN: 01/11/2019 Prayer and Opening Remarks.

The meeting started at 2:00 PM with a word of prayer from Charles Nyangari. Chairman then read the agenda of the day which were deliberated. He proposed that the meeting be dedicated only to deliberation of projects to be funded in the 2019/2020 financial year of which Ksh 137,367,724.14 has been allocated to the constituency.

The basis of deliberation of the budget proposal shall be based on the ward meetings report of public participation meeting done in October 2019, the current status of ongoing projects and projects proposals submitted to office.

MIN: 12/11/2018: Ward Meeting Report

The secretary read the ward meeting report to the committee. Committee discussed the report and agreed that the report was factual and agreed that it reflected the true records of the ward meetings which were held during the month of October 2019. It was adopted and approved for inclusion in the project proposal of 2019/2020.

MIN: 13/11/2019: Prioritization of Projects to Be Funded In 2019/2020 Financial Year.

The committee agreed that the criteria of identifying projects shall be status of projects and ward meeting report. The ongoing projects shall be given precedence before identifying new projects in the ward report.

Fund Account Manager guided members in reading a circular from the head office on the guidelines required in submission of 2019/2020 he noted that the constituency had been allocated Ksh.137,367,724.14 which the committee is to budget based on the guidelines.

Chairman informed members that the proposal is required to be submitted by as soon as possible but a soft copy to projects department is supposed to be submitted before hard copy is forwarded after the proposal has been entered in the NG-CDFMIS Portal. This the first time the proposal is being submitted through the portal.

The NG-CDF Committee discussed the circular NG-CDFB/CEO/BOARD CIRCULARS Vol.II (014) dated 24th September 2019 and made the following resolutions:

- That in prioritizing of projects the ongoing projects will be given precedence.
- That National Government function projects be funded as per NG-CDF Act 2015 Amended 2016
- It was agreed devolved proposed by public but fall within devolved functions be forwarded to County for consideration.
- As per the NG-CDF Board Circular, the projects to be funded shall be only those that are in respect of works and services falling within the functions of the National Government under the constitution, and must be community based in order to ensure that the benefits are available to a widespread cross-section of the inhabitants of a particular area.

The CDF Committee discussed the report from ward forum and made the following resolution:

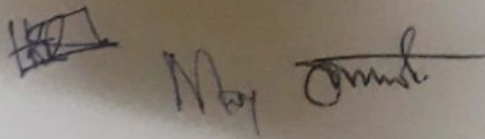

a) Purchase of School Buses.

Committee resolved to buy five 52 seater buses for the following schools; Gamba Secondary School, Tambacha Secondary, Nyakome Secondary School, Geturi Secondary School and Manyansi Secondary School. It was further agreed to pay Ksh.1,500,000.00 for Rioma Secondary school which is currently being paid for by the parents, this is the total balance which is due. It was agreed that the buses be purchased one-off in the current financial year, it was agreed that the government contracted price be basis of allocating fund for the bus purchase. Based on the government contracted rates, committee allocated Ksh.7,200,000 for each of the bus, these does not include insurance premium. The beneficiary school will pay for the recurrent insurance expenditure.

b) Prioritization of projects to be funded

NG-CDF Committee deliberated on the project proposals and agreed to implement as below;

Committee discussed the status of ongoing projects and noted that some projects were almost complete and it was prudent just funds for completion. It was further noted that some projects were after being completed by respective schools using school infrastructure funds. The last group of ongoing projects were those which had not started because of lack of land, this were mainly security projects, committee agreed to have a further deliberation in the next meeting to make a decision on those project funds. The matrix of these ongoing project is analyzed as follows:

WARD REPORT

2019/2020 FINANCIAL YEAR

SUBMITTED

NOVEMBER 2019

KITUTU CHACHE NORTH WARD REPORT FOR THE PUBLIC PARTICIPATION EXERCISE DONE- 2019/ 2020 FINANCIAL YEAR

0.0 Introduction or Background

0.1 National Government Constituencies Development Fund

Constituencies development fund is a fund introduced in 2003 through the repealed CDF Act 2003. The act though provided that the government sets at least 2.5% of its ordinary revenue for disbursement under NG-CDF program. It is a precursor of current devolved functions through the counties. The fund is designed to support development at constituency level. It is aimed to achieve equitable distribution of development resources across regions to control imbalances in regions which was brought about by partisan politics. It targets projects which can be felt by a larger majority in education and security projects.

0.2 Kitutu Chache North NG-CDF

Kitutu Chache North Constituency is an electoral constituency in Kenya. It is one of the constituencies in Kisii County located in Marani District. It was created after promulgation of The Kenya Constitution (2010) which provided for creation of additional 80 new constituencies. It was split from the former Kitutu Chache Constituency before the 2013 General elections.

Kitutu Chache Constituency borders the following Constituencies; Kitutu Chache South to the South, Kitutu Masaba to the East, West Mugirango to the North and Karachuonyo and Kasipul Kapondo to the west.

Kitutu Chache North Constituency Population and Size Details:

Constituency Population (Aprox): 103,849

1.0 Ward meetings

1.1 SENSI WARD

1.1.01 Venue and Date of the Meeting

The meeting was conducted at Masakwe Secondary School grounds on Monday 14th October 2019 as from 9: 00 a.m to 12:00 p.m

1.1.02 Members Present

The meeting was attended was all NG-CDF Committee and members of the public

1.1.03 Who graced the occasion?

The meeting was graced by senior chief Mr. Evans Ateka who was the moderator of the meeting.

1.1.04 Comments by Assistant County Commissioner

Madam ACC1 thanked members for keeping time and attending meeting in large numbers. She requested them to give their views because this will assist the committee to make decisions on project to be implemented. She narrated that NG-CDF has done a lot in the constituency and it was therefore necessary to support its activities.

1.1.05 Comments by FAM on the nature of projects in respect to NG-CDF Act

Ag. Fund Account Manager guided the public on the projects which can be funded by NG-CDF. He stated that the following projects that projects to be funded should be community based which will ensure that the prospective benefits are available to a widespread cross section of the inhabitants of a particular area. He emphasized that project should specifically focus to projects that can be funded by national government as per fourth schedule of constitution such as security and education. He informed the public that once the projects have been proposed then the committee will prioritize the project giving priority to ongoing projects

1.1.06 Chairman on bursary, sport and environment

Chairman emphasized that projects on bursary, environment and sports will be done openly and transparently. The public and provincial administration will be involved in administration of the three votes. He further noted that projects proposed will be prioritized by NG-CDF committee once the wards have forwarded their proposals.

1.4.08 Challenges

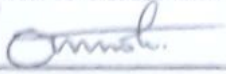

The major challenge identified by the public is the poor management of project funds by Project Management Committee (PMC). It was agreed that close supervision of projects will be done by both NG-CDF Committee and provincial administration.

1.4.09 Way-forward

It was agreed that public will be informed on the projects will be funded in the current financial years once NG-CDF Committee completes its prioritization.

1.5 Conclusion/way forward

Public requested that it is prudent that once a project is approved it is should be done to its completion to ensure that they benefit from these projects.
