Constituency Current Updates

- Many applauds went to the principal for Elite academy for proper mobilization towards bursary application.
- Amount of thank you went to the vetting committee for the good work they have in the previous years.
- The sports department got a boost from the office of President to renovate Joseph Kangethe play grounds, DC's sports ground and the Undugu ground while the discussions are on for the Laini Saba grounds is underway.
- Eye brows were raised on the poor performance of schools in Kibra Constituency and it was estimated at 50% pass and 50% fail, meaning half of both student and pupils fail exams in Kibra constituency and vice versa.
- The chiefs and the parents were asked to foster away on enhancing proper and better performance of Kibra schools; teachers were challenged to take advantage of the already existing facilities.
- The members appreciated the fact that Mbagathi High School was already handed over. They appreciated as the school population considers students from Lainisaba.

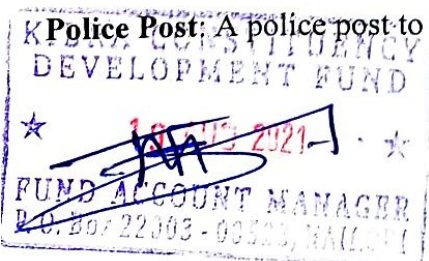

PROJECTS PRIORITY FOR 2021/2022

CDF Office to consider working out on the Laini Saba public playing ground with both of them as the funders (The NG-CDF Office and the MCA's Office) and also requested for a chief's office in his area.

Water and Sanitation: The NG-CDF requested to drill one bore hole and donate water tanks to different groups in Laini Saba Ward.

Modern Stalls: Construction of modern stalls and other facilities for the physically challenged individuals as they have a vast knowledge.

Police Post: A police post to be constructed near the DC chief camp.

A handwritten signature in blue ink, consisting of a stylized 'A' followed by a horizontal line.
