MIN 5/15/2018: REALLOCATION OF FUNDS

The FAM reminded NG-CDFC members of the one project, **Kahawa West Market Shades F/Y 2014/2015 allocated Kshs. 3,748,632.26** that has never been implemented due to the court battles among the stakeholders within the market. She requested them to consider another project to avoid loss of value for money. The NG-CDFC confirmed that the court issue is still pending and is likely to delay due to the interested parties. They agreed that the funds to be reallocated to Kiwanja Secondary School for Drilling a borehole, piping system to the ablution block and the laboratory and any other point for water supply within the school at a cost **Kshs. 3,748,632.26**.
