1.0 INTRODUCTION

The NG-Constituency Development Act 2015 stipulates in part 5 section 27 subsection 1 and 2 that the chairperson of the NG-CDFC shall, within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every ward in the constituency to deliberate on development matters in the ward and in the constituency.

The NG-CDFC shall then deliberate on project proposals from all the wards in the constituency and any other projects which the Constituency Committee considers beneficial to the constituency, including joint projects with other constituencies, consider the national development plans and policies and the constituency strategic development plan, and identify a list of priority projects, both immediate and long term, out of which the list of projects to be submitted in accordance with the Act shall be drawn from.

Citizen participation in project planning, management and implementation planning requires the involvement of concerned stakeholders. This includes identifying public concerns and values and developing a broad consensus on planned initiatives. It is also about utilizing the vast amount of information and knowledge that stakeholders hold to find workable, efficient and sustainable solutions.

Public participation encompasses a range of procedures and methods designed to consult, involve, and inform the public to allow those that would be potentially affected by a decision or policy to have input into the process. Community participation motivates the stakeholders to work together, recognize the benefits of their involvement and own the projects in their localities.

Stakeholders play a central role in setting up priorities and objectives of development Initiatives in order to ensure relevance and appropriateness. It is important that all stakeholders are involved in the development of projects and not just direct beneficiaries of an initiative.

1.1 ABOUT NG-CDF

The National Government Constituencies Development Fund (NG-CDF) was established under the National Government Constituencies Development Fund (Amendment) Act, 2015. Its main objective is provision of mechanisms necessary for supplementing implementation of the National Government Development Agenda at the level of the constituency. The fund management is the responsibility of the NG-CDF Board.

The fund was designed to support constituency-level, grass-root development projects. It was aimed to achieve equitable distribution of development resources across regions and to control imbalances in regional development brought about by partisan politics. MIN01/30/01/23-PRELIMINARIES

The meeting began at 0925Hrs with a word of prayer from Maryann Kabui. The Chairman then welcomed the members to the meeting and a brief introduction of all the members followed. The Chairman then read the agenda for the meeting to the members.

MIN02/30/01/23- SUMMARY OF THE WARD REPORT

Based on the public consultative ward forums held in 5 wards, members proposed projects be prioritized and the funds be utilized as follows (attached ward Meetings report)

1. KOMAROCK WARD

- | |
|---|
| 1. Komarock South Primary School- Construction of a non storey modern kitchen |
| 2. Komarock South Primary School- Installation of 4 20-Meters High Solar |

2. KAYOLE SOUTH WARD

1. Thawabu Primary School- Construction of One storey 8 Classrooms

3. MATOPENI/SPRING VALLEY WARD

1. Kayole North Primary School- Construction of One storey 8 Classrooms

Kayole North/Kayole Central will benefit with more bursaries.

MIN03/30/01/2023- BURSARY 2022/2023

Out of the constituency allocation, it was noted that the Bursary allocation exceeded the normal ceiling of 35% of total allocation. This was occasioned by the previous massive applications received versus the allocation that has never been sufficient. More than 20,000 applications come in through the office and other institutions but merely does the 35% ceiling cater for even 50% of these applicants. Secondly, most constituents have never recovered from the COVID-19 aftermath that rendered most of them jobless. Most families have never stabilized. Many school goers dropped out of school due to lack of fees. As a result, the committee proposed to increase the allocation to about 40% of total allocation to try and assist more needy cases. The committee requested the NG-CDF Board to consider this plea with the utmost attention it deserves.

MIN04/30/01/23- PROJECT PROPOSAL FINANCIAL YEAR 2022/2023

The committee was informed by the FAM that during the F/Y 2022/2023 Embakasi Central NG-CDF will receive an allocation of Kshs.145,087,603. The chairman although notified members that this financial year there was no any secondary school that will benefit among the 3 secondary schools available in the constituency since there was no any project that needed an emergency attention they were all in good conditions.

Additionally the Chairman noted that the more classrooms that were being constructed in Komarock South and Thawabu Primary Schools were creating room for further establishment of Secondary schools in the aforementioned schools in future.

The Fund Account Manager was then tasked by the committee to prepare and forward to the NG-CDF Board a proposal for F/Y 2022/2023 as follows:-
