Dear sir /Madam

RE: REQUEST FOR RENOVATION OF FOUR CLASSES

I am kindly requesting your good office to renovate for us four classes which are not in good condition. Earlier on we requested for office block completion. This office block was initiated by the community and NGO. I am happy to report to you that the office block is already completed and hence the request for renovation of the classes.

Any little support towards this request will be highly appreciated.

Thanking you in advance for your positive response.

Yours Faithfully
