Dear Sir,

**RE: REQUEST FOR TREE SEEDLINGS GRANT.**

The above subject refers.

Bikarabwa schools (primary & junior) are public located at Kokeharaka Zone, Getambwega-Kokeharaka Ward. The school has got an acreage of approximately 1.8 acres of land unoccupied which the school management has seen it wise to plant trees on it. We are requesting your office to grant the school with a total of 1000(one thousand) tree seedlings to plant during this rainy season.

The school has got a borehole that will be used to water the trees should there be a dry spell. For the trees' security, the school has got an intact fence surrounding the school compound to ensure that the trees/seedlings are secure besides the school's security guards.

The whole school community is very ready to support the school programme to ensure that the trees grow well as one of the ways of sustaining/conserving our environment.

Thanks in advance.

Yours Faithfully,

Musa O. Obara
