Executive summary.

The Cdf was established in the year 2023 by an act of parliament to enhance infrastructural and social-economic development at grassroots level in order to aid in poverty alleviation. The fund has evolved over time with changes in legislation to align it with changes in the legal economic and political environment. After Enactment of 2010 constitution the fund changed its name from Cdf to NG-CDF.

Currently the government allocates a minimum of 2.5% of ordinary revenue which is shared by the 290 constituencies partly equally and partly depending in the number of wards.

The fund mainly focuses on Education, Security, Sports, and Environments sectors. The target group are members of the public elected leaders and heads of institutions within Masinga Constituency.

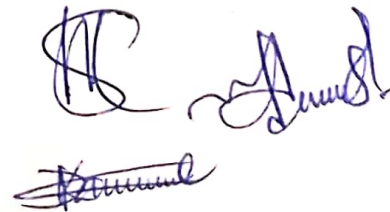

Objectives of Public Participation

1. Identify projects for funding in the line with the constitution 2010, NG-CDF act 2015 amended 2016 and 2020.
2. Educate members of the public on fundable projects
3. Enlighten constituents on fundable projects.
4. Educate members of the fund and way forward.
5. Share government programs with the members of the public.
6. Role of the public in project identification, implementation and social auditing.

Opening Remarks

1).NG CDFC Chairman.

The chairman and convener of the public participation meetings thanked the members for turning up in large numbers. This demonstrates thirst for development and the importance of NG CDF in uplifting living standards at grassroots levels. He lauded the National government technical officers for supporting our programs.

2). ACC 1.

The assistant county commissioner 1 echoed the NG CDFC chairman sentiments on the importance of public participation meetings on project identification. It gives an opportunity to citizens to prioritize their development needs and engage with elected leaders and government officers. His office plays a leading role in co-ordinating government development programmes.He congratulated the area member of parliament on his re-election.

3).Fund Manager.

The Fund Manager elaborated on the genesis and envelopment of NG CDF over time the importance of public participation citizens' involvement in project implementation, fundable projects and constitution of project management committees. He encouraged members to continuously engage with NG CDF office for faster solution to their development challenges touching in the National government function.

4).Area Member of Parliament.

Hon.Joshua Mbithi Mwalyo thanked the constituents for re-electing him, a clear testimony on his people centered development initiatives.He emphasized the role of Pmc's in the project implementation being cornerstone of NG CDF projects in supervision and delivering quality output. He urged members of the public to support the new NG CDFC and the national government officials for smooth transition and running of NG Cdf affairs. He will endeavor through the Oversight committee ensure funds are well utilized and community get value for each shilling. The NG CDF office should have an open door policy and serve all constituents diligently.
