RE: MASALANI SOCIAL HALL

Masalani Social Hall was built by CDF, in the 2012/13 financial year next to the ACC's office Masalani and it is under the management of the Deputy County Commissioner Ijara.

It is used for public meetings, vetting activities for ID's and any other public activity.

It's renovation and equipping with tables and chairs would make it more user friendly. We look forward for its consideration as a project priority for the current financial year.

DEPUTY COUNTY COMMISSIONER
