Dear Sir/Madam

RE: REQUEST FOR 1000 TREE SEEDLINGS

On behalf of Koromangucha Primary School, which is a public primary/Junior School, I hereby request tree seedlings in line with the environmental conservation program.

The school has half an acre of land available with a permanent life fence intertwined with barbed wire. It affords the piece of land with total security and a gate that is manned 24 hours a day. We have a well that is open all seasons, ensuring the availability of water all year long.

We also have six hundred learners who will be assigned at least two seedlings to maintain.

I look forward to your consideration.

Yours Faithfully,

John Masira HTr 0728202815
