22nd Mar, 2023

FUND MANAGER,
NG – C.D.F,
WAJIR EAST CONSTITUENCY

Dear Sir,

RE: REQUEST FOR SUPPLY OF TREE SEEDLINGS

I am writing to request for the supply of tree seedling during this raining season. Our two shallow wells will provide enough water to irrigate the plants during drought. Plants purify air, reduce Greenhouse effect by removing carbon(iv)oxide from the air and release oxygen and ease the mind during stressful times proving a friendly environment for learning.

Your consideration will enable us participate in presidents' initiative of planting fifteen billion trees by the year 2023.

Thanking you in advance.

Yours sincerely

Ismail Abdirahman

Principal.
