**MIN 04/18 NG-CDF/KAJIADO CENTRAL/2018 CDFC SALARIES AND GRATUITY.**

CDFC staff had gone several months without salary so the members agree a letter to be done by the FAM to the bank requesting it to pay the staff two months' salary as we await the board to release the funds.

Contracts for the CDFC staff had expired and gratuity was yet to be paid. The non-payment was caused by failure to provide for it in the previous years. Members agreed that a half gratuity to be paid to the staff using the funds for 2017/2018 financial year and the balance to be paid later.

**MIN 05/18 NG-CDF/KAJIADO CENTRAL/2018 CLOSING PRAYER AND ADJOURNMENT.**

The next meeting was to be communicated.

There being no any other business, the meeting was adjourned at 2.20 p.m with a word of prayer from Josefrida Kameti.

## **0.0 Introduction or Background**

### **0.1 About CDF**

The Constituencies Development Fund (CDF) was established under the Constituencies Development Fund (CDF) Act, 2003, amended in 2007 and repealed by the CDF Act of 2013. In 2015, the CDF Act of 2013 was declared unconstitutional and a new Act was enacted in 2015, being the National Government Constituencies Development Fund Act, NG-CDF Act, 2015. The National Government Constituencies Development Fund (NG-CDF) is under the ministry of Devolution and Planning. The objective of the fund is to provide mechanisms for supplementing implementation of the National Government Development Agenda at the Constituency level.

### **0.2 About Kajiado central**

The NG - Kajiado central CDFC wish to have in summary the budget performance against actual amounts for current year based on economic classification and programmes. The NG - CDF have improved the Education and Security infrastructures of Kajiado central.

In education sector the committee was also able to do a number of classrooms in several primary and secondary schools, dormitories and administration block in secondary school.

In this financial year the committee has proposed the drilling of boreholes in primary schools, construction of a house and office for assistant county commissioner and chief respectively.

The NG-CDFC's have trained the PMC's and office staff hence project returns and implementation have been well done. The committee is emphasizing on continuous training of project management committees to make projects a success.

The committee was able to pay fees for 1500 students both in secondary and tertiary learning institutions.

The committee was able to utilize funds up to 94.2% this was far above the utilization rate of 62.1% of last financial year.

~~Handwritten mark~~

The constituency has a number of challenges, its vastness in landmass hence difficulty in project monitoring. The constituency has poor road network, most of the roads are impassable during rainy seasons. Illiteracy level is also very high in the constituency hence need to have civic education to enlighten the locals to take their children to school. Early marriages, FGM and insecurity are very rampant in the constituency.
