The Chairman,
NG – CDF Board,
Kieni Constituency

Dear Sir,

RE: REQUEST FOR FUNDING TO COMPLETE A DORMITORY

The above school is a girls school with a current enrolment of 803 students.

The parents started a 200 capacity dormitory to accommodate the ever growing school population.

The construction is now up to walling level. Due to economic hardships the parents are unable to complete the said project.

The school therefore kindly requests the NG-CDF to fund the remaining works which includes roofing, plastering, fixing of doors and windows, painting and ceiling.

The estimated cost of the above works is Ksh. 15 M.

The school Board of Managed authorized the Co-funding during their meeting held on 3/3/2023.

Yours faithfully,

MRS. ESTHER KIRIRA
SNR PRINCIPAL/SECRETARY B.O.M.
