NG-CDFC/RABAI//2021 READING & CONFIRMATION OF PREVIOUS MINUTES

The chairperson requested the secretary to read the previous minutes for the members. The minutes were confirmed by Kalama Mumba to be the true recording and were seconded by David Malingi. As there were no matters arising from the minutes, members proceeded to the days' agendas

NG-CDFC/RABAI//2021 RESUBMISSION OF PROJECT PROPOSALS FY 2020-2021

In reference to the minutes held on 22nd September 2020, the Rabai NG-CDFC members allocated funds amounting to Ksh. 3,500,000.00 for construction of Rabai youth empowerment center in the FY 2020-2021. However, the NG-CDF Board declined this project as it is under County Government function. In this respect, members have agreed to reallocate the funds to construct three classrooms at Maereni primary school as the school has acute shortage of classrooms and the existing few are of bad condition and at risk of being destroyed by the expected long rains.

The meeting was adjourned at 11.20am through prayers from Susan Rau.
