September 30, 2021

CHIEF EXECUTIVE OFFICER,
NATIONAL GOVERNMENT CDF
P.O BOX 46682-20503
NAIROBI, KENYA

Dear Sir,

RE.: PROPOSED COMPLETION OF ADMINISTRATION BLOCK AT NKARETA SECONDARY SCHOOL

The above subject refers,

Please note that the above project is a stalled project that had been earlier started by the School Board of Management. The administration Block is a mega construction which when completed will have seven offices and two wash rooms.

We have not dispensed the 2 million to the project for the financial year 2020/2021 for there was oversight on cost. The District Works officer estimated the cost of works to be 4.5 million. The NGCDF Narok North is co-funding with the School Board of management, where the school is raising One Million Five Hundred Thousand For foundation works and structural wall while NGCDF is expected to raise Three Million for roofing, windows and doors, internal and external finishes, ceiling, electrical and plumbing works.

Kindly note that We thank you in advance for your positive consideration.

Yours Faithfully

David M. Githinji

Fund Account Manager- Narok North
