Ward Development Forum Report

Jacob Saleri requested members to give their feedback regarding ward development forums held from 16th to 25th January 2018. Jenter Kahindi mentioned that the forums were very successful and the intended objective of public participation in project identification was achieved. Lucy Katana added that a good number of project proposals were received from the community and that there is need to capture all these projects in the five – year Constituency strategic plan.

The Fund Manager tabled the 2018 ward report for members to go through. The secretary took members through the report and all members confirmed it to be a true record of project proposals received across the seven wards.

The report was adopted by all members and signed BY The Deputy County Commissioner, The Fund Manager and the NG-CDFC Chair person.

Min3/03/29/01/2018:

Project proposal for 2017/2018 financial year
