RE: **PROJECT PROPOSALS FOR FY 2020/2021**

Reference is made to your letter Ref.SI/NG-CDF.KRRA/FEB/20 dated 14<sup>th</sup> October, 2020 on the above subject.

We wish to confirm that the three (3) roads are under the jurisdiction of Kenya Rural Roads Authority, National Government Agency, and have been captured in our FY 2020/20221 workplan. However, the funds allocated to these roads are not enough to address all maintenance activities on the entire lengths of the roads.

The table below shows the allocation and sections we intend to work on.

Road Code	Road Name	Length (Km)	Maintenance Length (Km)	Allocation (Kshs.)	Remarks
C365	Kanyakine – Mitunguu	12.5	0+000 – 7+500 (7.5 km) From Kanyakine Mkt – Muutiokiamia	4,300,000.00	5Km remaining
C363	Mitunguu – Mbeti	10.5	0+000 – 6+000 (6.0 km) From Mitunguu – Swamp	4,100,000.00	4.5Km remaining
C971	Keria – Kiangua	6.5	0+000 – 3+000 (3.0 km) From Keria – Ruruma Mkt.	5,100,000.00	3.5Km remaining

The remaining sections require additional funding to address all of the maintenance needs of the roads. We are ready to provide technical support in quantifying, packaging and assessment of the works to be carried out.

Yours Faithfully,

Eng. S. O. Obara  
DEPUTY DIRECTOR (ROADS)
