P.O BOX
KEGONGA.

Dear Sir/Madam,

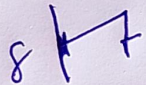

RE: REQUEST FOR TREE SEEDLINGS

The above captioned matter refers. I would like to request for 1000(one thousand) tree seedlings to plant in our school during this rainy season. This is in harmony with the call to make our environment and our country at large green.

The school has adequate space of $\frac{1}{4}$ an Acre to plant the trees and additionally there is adequate water to water the plants in case the dry season sets.

I hope this request will be considered. Thank you.

Yours Faithfully

Mose Charles Morara
