Dear Madam

RE: REQUESTING FOR TREE SEEDLINGS

From the subject named above, I here by requesting your office to give tree seedlings for planting during ongoing rainy season, I am requesting for (1500) one thousand five hundred seedlings.

The school has (1/4) acre of land that can be planted the trees requested. In case of long dry season, the school has a water borehole that can give enough water for watering and it is also fenced to protect the seedling from destruction. The seedling planted will be taken care by BOM, teachers and learners.

Your assistance will be highly appreciated.

Thanks.

Yours at service,

MUTURI. M. MUTURI.

BOM secretary/ principal.
