Dear sir/Madam,

RE: REQUEST OF 1,000 TREE SEEDLINGS.

Sir/Madam I hereby humbly wish to request for the above subject matter from your office. This is due to the enough space of land that we have in our school compound and has no trees and its our wish to plant more trees during this rain season.

The land is about 2 Acres and incase of dry spill we have a borehole in the school compound whereby the seedlings will be watered throughout.

I would also like to bring you to attention that our compound is well fenced hence there is a lot of security that will enable the seedlings to grow well minus any damage.

I remain here having a positive reply that your office will consider our request.

Yours Faithfully,

John Mirumbe Matiko,
Principal,
