RE: REQUEST FOR REVISION BOOKS

This office recognizes your effort in assisting education standards improvement. Last year your office assisted a number of our schools with revision books and as a result our MSS improved from 4.659 to 4.735.

As a result our office is requesting to be assisted in buying revision books for the current form 4 students because the government only funds for text books and not revision books. The requested Revision books are for English, Mathematics and Kiswahili.

Please find the attached list of Public Schools.

Thanks in advance.

RE: REQUEST FOR FIRE EQUIPMENTS – SECONDARY SCHOOLS

North Kinangop Sub County has 28 Secondary Schools of which 8 are boarding schools. Lately there have been a number of fire incidences which has resulted in loss of properties in the schools. “Thankfully there were no casualties”

From a number of visits by officers from this office it was observed that most schools do not have adequate equipment for fighting fires; in addition, there is no fire engine within the Sub County. The government does not fund the schools for fire extinguishers.

This is therefore to request your able office to consider the provision of this essential equipment to safe guard our schools.

The following are the schools to be benefit.
