#### 2.1.0.8 Challenges

- a) All community members were biased with their proposal since they preferred their villages hence difficulty in balancing of projects in entire ward.
- b) Members gave the time limit that was unreasonable for completion of some projects which would take a longer time in completion.

#### 2.1.0.8 Way forward

It was upon the CDFC members to decide which among the proposed project would be prioritized.

2.0.1.3. Grace mugure led with the opening prayers and welcomed all community members into the meeting. He set the climate of the meeting by introducing all CDFC members to the people hence introducing the agenda of the day.

#### 2.0.1.4: D.C remarks

(i) The D.C.Cs apologies and thanked the office of the MP for recognizing the public by involving them in project proposal exercise. He encouraged them to avoid bias in the exercise and ensure equitability in all sub-locations

#### FAM comments on the nature of projects in respect to CDF Act

The FAM thanked the community members for turning up in large numbers. He informed the members that Cdf is a community kitty and should be used to benefit the community members. He asked the members to help monitor the projects by raising alarms if they suspect mismanagement of funds. He finally asked the members to give priority to the on going projects.

#### 2.0.1.11 Comments by Chairman on bursary and environment

The chairman answered the concern of the chief by noting that the public would be involved in bursary allocation and therefore he requested them to appoint 5 committee members who would help in identifying the neediest cases in the community. He noted that the committee members who will be appointed will give priority to the orphans, single parents and most needy students.

#### 2.1.0.8 Challenges

- c) Members failed to keep time due to rain which shortened the meeting hence giving them limited time to propose.
- d) Members gave the time limit that was unreasonable for completion of some projects which would take a longer time in completion.
- e) All community members were biased with their proposal since they preferred their villages hence difficulty in balancing of projects in entire ward.

#### 2.1.0.8 Way forward

It was upon the CDFC members to decide which among the proposed project would be prioritized.

#### 2.1.0.8 Challenges

- g) There were a lot of arguments since all members from different corners of the ward were competing to give proposals.

#### 2.1.0.8 Way forward

It was upon the CDFC members to decide which among the proposed project would be prioritized.

#### Conclusion/way forward

It was upon the CDFC members to decide which among the proposed project would be prioritized
