Dear Sir/Madam,

**ELECTRICITY SUPPLY TO YOUR PREMISES ON PLOT NO. A34 IN NGONG, KAJIADO**

We thank you for your application dated 09 / 01 / 2023 for supply of electricity to the above plot. We are pleased to advise you that a single/three phase **3.0 kVA** service line can be installed as requested. The supply will be metered and charged in accordance with the tariffs that can be viewed in KPLC website.

The connection cost is as follows:

<b>Costs of Supply</b>	<b>27,130.73</b>
<b>V.A.T.</b>	<b>4,340.92</b>
<b>Rounding Adjustment</b>	<b>0.35</b>
<b>Deposit</b>	<b>2,500.00</b>
<b>Total</b>	<b>33,972.00</b>

Please find the detailed breakdown of the quotation in the overleaf.

Kindly pay this amount within a period of 90 days from the date of this letter. If payment is not received within this period, the terms may be revised.

Payment can be made via any of the following options:

- In any of Kenya Power Banking Halls countrywide. To our Bank Account: **Name:** Kenya Power and Lighting Company Limited; **Bank Name:** Standard Chartered Bank; **Account Number:** 0104074121608; **Bank Branch:** Harambee Avenue, Nairobi (Branch code 078 and Swift Code

SCBLKEN). Indicate your application reference for ease of reconciliation. Paybill number **888899**,  
Account: Customer reference.

**(Do not make payments to any individuals and make sure you get a receipt for every cash transaction. Please contact us for various StimaLoan financing options available).**

Please note that this quotation is subject to our being able to obtain the necessary wayleaves (i.e. permission to construct power lines through private property, public roads and local authority properties).

If the development of your premises is not ready for final connection of electricity supply within a period of six months from the date of this letter, we may revise the quotation as necessary.

Your attention is drawn to the following important responsibilities which you will need to undertake to enable us to connect your supply and which you may use as your checklist:

1. Engage the services of a Registered Electrical Contractor, who must be licensed by the Energy and Petroleum Regulatory Authority (EPRA) as available on their website <https://www.epra.go.ke/services/electricity/electricians-register/>, to do the following:
  - a) To guide in the excavation and reinstatement of the cable trench(es) as well as the provision of suitable cable conduits or ducts where applicable.
  - b) To carry out the electrical wiring installation and issue commencement of work, completion of work and test certificates in respect of your internal wiring installation.
  - c) For Pre-Paid metering, to install standard communication cables from our supply termination point to where the User Interface Units shall be installed.

Please see the attached leaflet on specific requirements for prepaid metering depending on your connection type & scenario.

2. Complete and return the attached Supply Contract Form.
3. Submit a copy of your National Identity Card (or a copy of the Company Registration Certificate in the case of a Company application) and PIN certificate.
4. Submit a route sketch to your premises.

To facilitate speedy processing of your application please submit items No. 1(b), 2, 3 and 4 above at the same time.

Should you require further assistance, please contact 97771, 0703-070-707, 0732-170-170, @kenyapower, customercare@kplc.co.ke, (F) Kenya Power, www.kenyapower.co.ke.

Yours faithfully,

---
