The committee further confirmed that disparity in allocation to *Nyayo, Bar awendo, Nyawita, Gobei & Nyaguda* primary schools arose due to additional activities; namely Walling, Roofing, & reinforcement of foundation. There is also disparity in allocation for schools in the island namely; *Oyamo* and *Ndeda* primary schools and *Joakim Owang* secondary school is due to high cost of transportation of materials and labour. Members also confirmed the allocation for *Bursary* to be adequate. The allocations for 51 seater bus for *kapiyo sec school* & 62 seater bus for *Nyamonye Girls Sec School* are as per government negotiated rate, one off payment & no insurance cost included.

In 2015, the NG-CDF Act of 2013 was declared unconstitutional and a new Act was enacted in 2015, being the National Government Constituencies Development Fund Act, NG-CDF Act, 2015. The National Government Constituencies Development Fund (NG-CDF) is under the ministry of National Treasury and Planning. The objective of the fund is to provide mechanisms for supplementing implementation of the National Government Development Agenda at the Constituency level.
