Dear Sir

RE: PAYMENT CERTIFICATE FOR THE DRILLING OF 295M DEEP BOREHOLE AT BUR JOHN PRY IN MANDERA NORTH

This is to certify that the drilling of Bur John Borehole by M/S Mashtech Engineering and Suppliers Ltd is now practically complete. The 295m deep Borehole was drilled successfully and has a yield of **3,200litres per hour**. Its equipping is now being planned for by the County Government of Mandera.

Attached please find a payment certificate for the above project for your consideration and further necessary action. You may further proceed and pay the Contractor **Kshs 5,500,000.00 less 10% retention** for the successful completion of the Borehole as per the attached payment certificate.
